

HEALTH CARE TASK FORCE

The New Democrat Coalition is made up of more than 100 forward-thinking Democrats who are committed to pro-economic growth, pro-innovation, and fiscally responsible policies. New Democrats are a solutions-oriented coalition seeking to bridge the gap between left and right by challenging outmoded partisan approaches to governing. New Democrats believe the challenges ahead are too great for Members of Congress to refuse to cooperate purely out of partisanship.

HEALTH CARE TASK FORCE LEADERSHIP

Co-Chairs

Reps. Angie Craig, Kurt Schrader, Kim Schrier, and
Greg Stanton

HEALTH CARE TASK FORCE MISSION

Affordable health care is critical to the financial security and wellbeing of American families. We cannot allow partisan politics to jeopardize access to lifesaving treatments. The New Democrat Coalition Healthcare Task Force will develop and advance policies to improve our healthcare system, reduce costs, increase choices for consumers, modernize regulations, reduce burdens for small businesses, and expand coverage, building a path toward universal coverage.
